

**United States Pilots Association  
ANNUAL MEETING FLYOUT  
St. Louis, MO June 7-10, 2018**

A Thursday evening FAA sanctioned Safety Seminar at will start our flyout activities, presented by Fred Harms, former St. Louis FSDO Safety Program Manager.

On Friday we will tour the Air Evac Lifeteam Headquarters and possibly the Helicopter Police Unit. Additional activities and meals are now being arranged.

Saturday morning is our Annual Membership Meeting, followed by our Board Meeting. All members and guests are invited and encouraged to attend, as ours is a membership-directed organization.

Saturday afternoon will be a mix of recommended venues, with time to enjoy the many St. Louis attractions not yet visited. Among these are the Gateway Arch, Zoological Park, Missouri Botanical Garden, Art Museum, and so many more historic and educational points of interest.

Saturday evening we will enjoy a dinner buffet together, with a special guest speaker to be determined.

As a USPA member, affiliated state member, or guest, you will enjoy our special group rate at a top notch property, an educational and fun lineup of activities, and great GA fellowship. **SIGN UP NOW!**

As more details are finalized, you may find them at [www.uspilots.org](http://www.uspilots.org).
